

# St Peter's C of E Newsletter

Aspire, Persevere, Achieve

8<sup>th</sup> July 2022 Issue No: 78

*ensuring 'life in all its fullness'.*

What a busy week it has been! We have had sports day, four class trips and a Year 4 camp. We certainly have been achieving 'life in all its fullness' at St Peter's! I have made this week's newsletter extra long to share photos of the amazing week we have had in school. Please pay special attention to the final page. Our Year 2 children have been completing the Archbishop of York's 'Young Leaders Award'. They are currently completing their community project and are kindly asking for small donations. Please read Molly's letter on the last page for more details.

We hope to see you more over the final two weeks for our end of term events. Thank you to all of you who attended Sports Day and helped the PTA to raise nearly £500! It certainly was a great day!

## SPORTS DAY

## Year 1 and 4 Geography field work

## Year 2 and 3 Mountfitchet Castle

A huge well done to Olly in Year 4. He went fishing at the weekend and followed the school vision: ASPIRE, PERSEVERE, ACHIEVE. He taught this to another family and they caught lots of fish!

As part of the **Young Leader's Award**, Year 2 have been making welcome bags in design and technology lessons. These are for Ukrainian families moving to our community. Please read Molly's letter below (the children wrote persuasive letters in English). We would really appreciate some small 'party bag filler' donations to put into the welcome bags!

We learnt how it felt to experience kindness and to be kind to others. The children left secret kindness post it notes to each other and members of staff.

As part of our community action project we have sewn welcome bags for the Ukrainian families living in our community. This was not easy and took a lot of perseverance!

We worked together as a class team to build a bug hotel for our Forest School Area. It was an amazing achievement!

For our community project we are collecting items for the welcome bags we have made to be distributed to the Ukrainian children in our community. In English, we wrote persuasive letters for the school newsletter asking for donations and we are currently collecting ready for distribution!

#### Molly's letter:

Dear parents/ carers:

I would appreciate your help if you could help us! We have been making cute Ukrainian bags for the Ukrainians. Do you mind getting some items to put inside our Ukraine bags? Thank you so much.

We have been feeling sad about the war in Ukraine and how the children might be feeling. We want them to be feeling safe, welcome and happy. We would love any of these items please:

- Creative colouring books
- Pretty pencils and pens
- Suburb sweets and treats
- Small spectacular teddy bears

Would you mind bringing donations to the school office please. Thank you for your time reading this letter.

Thank you very much

Yours gratefully,

Molly
